

# IGNITE FITNESS 2019

**FRIDAY 22 FEBRUARY 2019 @ MELBOURNE CBD**

Forget same old, same old - this is something  
Australia's never seen before!

## CALLING ALL PRESENTERS!

Calling all industry trailblazers, mavens, pioneers, innovators, groundbreakers, trendsetters, creators and contrarians. You are invited to join like-minded leaders who are passionate about **doing things differently**.

For the past decade IGNITE TALKS has taken place in the USA. In Australia, its iteration will be unique but still the place where gym business owners, operators and managers can come to ignite collaboration and achieve mutual success. Never before held in Australia, IGNITE FITNESS 2019 is set to establish a new status quo for the future collaboration among Australia's most bold and innovative fitness business operators and owners.

## THE IGNITE FITNESS DIFFERENCE

Imagine that you're on stage in front of an audience of hundreds of people, doing a five-minute presentation using a slide deck that auto-forwards every 15 seconds, whether you're ready or not! What would you do? What would you say? Could you stand the pressure?

**IGNITE FITNESS** delivers a series of five-minute speed presentations from guest speakers and high-profile fitness business leaders, who will explore topics such as The Best Way to Sell a Gym Membership, or How to Smash Engagement Rates on Social Media.

## THIS FULL-DAY EVENT INCLUDES:

- ▶ Six rounds of collaborative 'speed-dating'
- ▶ Three well-known fitness business guest speakers
- ▶ Ignite talks
- ▶ Networking opportunities for PTs, gym owners, franchised clubs and fitness suppliers.
